

# Electronic Record and Signature Disclosure

From time to time, American Associated Pharmacies and its subsidiaries (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through Formstack. Please read the information below carefully and thoroughly and confirm your agreement by clicking Continue.

## Getting Paper Copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. We will automatically provide copies of any documents executed by you through Formstack via email. After such time, if you wish for us to send you paper copies of any such documents from our office to you, we are happy to accommodate your request at no cost to you. You may request delivery of such paper copies from us by following the procedure described below.

## Withdrawing Your Consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

## Consequences of Changing Your Mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, follow the procedure below.
