

**American Associated Pharmacies
Permissions form for use of logos & copyrighted material**

Thank you for your interest in using American Associated Pharmacies (AAP) logos. We have a simple permissions process for these requests. Please read and fill out the information below.

Logos

When using logos, taglines, and names, please follow guidelines as outlined in our online Logo Guidelines: www.rxaap.com/logo-guidelines. For additional information, please call Marketing and Communication at 256-574-7531.

Organization:

Contact:

Item requested: (If published material, please list where it appeared, author, date of publication, and page numbers.)

Intended use:

Date/location:

Other (please describe):

Conditions of reprint permission

- Permission to reprint any AAP articles, logos, or marketing materials is granted only for one-time use and only for purposes listed in the statement of intended use. Please apply in writing for any additional use and/or reprints.
- Permission does not include the right to syndicate, rent, or loan.
- If you wish to edit marketing material, AAP must approve the changes before it will grant permission. You may not alter or manipulate logos in any way.

- Proper credit for reprints must be given with the following line: © American Associated Pharmacies reprinted from (name of publication) with permission.
- Please furnish one complimentary copy of the material for which permission has been given.

By signing below I acknowledge that AAP is the exclusive owner of the AAP logos. Furthermore, I agree not to claim any trademark that includes the logos or images that represent them or any variation thereof.

Authorized signature _____
